

EVERGREEN NURSERY 2014 SEMINARS

Hands on Talks & Tours with Evergreen's Garden Experts
Seminars are at 10 am on the first Saturday of every month (except December)
at our Carmel Valley & Oceanside locations with extra seminars during the Spring.

FEBRUARY 1st - Landscaping With Succulents and Natives

Creating a beautiful landscape with succulents and natives without looking like a desert. Yes, it can be done and you'll also use a lot less water.

MARCH 1st - Ask the Expert -Weeds, Gophers, Bugs, & Fertilizers

Our resident expert will teach you the best ways to fight the pesky critters in your garden and how to determine the best types of fertilizer to use to promote healthy, vigorous plants. We'll also answer your questions and discuss other gardening topics.

APRIL 5TH - Choosing and Caring for Fruit Trees

How to choose, plant, and grow stone fruit trees. Fruits of topic will be: Apples, Apricots, Figs, Nectarines, Pears, Peaches, Persimmons, Plums, and Pomegranates

APRIL 19th Starting a Vegetable/Herb Garden

What it takes to grow your own vegetables and herbs. Learn the best techniques for growing in containers, or raised beds, or just planting directly into your garden.

MAY 3rd - All About Roses

Come see and enjoy our huge selection of colorful roses and become a garden rose expert. We would love to see some of your "best" roses, please bring 'em in and show 'em off and share your own secrets of success!

MAY 17th - Citrus & Avocado Varieties & Care

How about some fruit fresh off the tree? Wow your family and friends with your delicious fruit right from your yard!! You will learn all about your favorite Citrus and Avocado varieties and the best way to care for them.

JUNE 7th - Summer Color & Fragrances For Your Garden - You will be amazed at the many different choices of color and fragrances for your garden. Learn how to choose the right color for your yard and your micro-climate.

JULY 5th - Gardening Seminar Just For Kids (6-12 years)

This seminar is ideal for kids who love to garden and love to get dirty. Each student will bring home a color bowl that they've planted with flowers. Parents must be present.

AUGUST 2nd - Landscaping With Succulents and Natives

Creating a beautiful landscape with succulents and natives without looking like a desert. Yes, it can be done and you'll also use a lot less water.

SEPTEMBER 6th - Citrus & Avocado Varieties & Care

How about some fruit fresh off the tree? Wow your family and friends with your delicious fruit right from your yard!! You will learn all about your favorite Citrus and Avocado varieties and the best way to care for them

OCTOBER 4th - Fall Is the Time for Planting

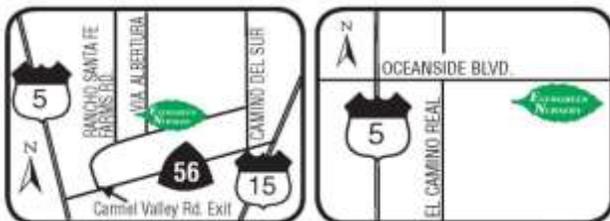

This is a walking seminar. We will tour the nursery and look at our advertised plants that will be featured in our Annual Million Dollar Fall Sale and will discuss how they will fit into your landscape.

NOVEMBER 1st - Four Seasons Gardening

Wouldn't it be wonderful to enjoy your garden throughout the year? Find out how you can create a garden that looks beautiful in all four seasons. Yes, even winter can provide amazing color and contrast in the garden

DECEMBER - It's Christmas time No seminar this month but still come out and choose one of thousands of Christmas trees we have available every holiday season.

Pick up holiday favorites like Poinsettias, Wreaths and Garland.
